The Bossie barrel for Russian Imperial Stout - we're thinking a March timeframe, please email your interest

The Lambic Project - it was agreed we need to pull off 10 gallons for Nick at Blue Frog.

New Business:

- Book Cafe Event - Dec 10 at 6:30. Our MC will be author Brian Yaeger (red white and brew). We have 5 homebrewers committed to bringing a couple of growlers each and 5 local breweries bringing beer. Each brewer will give a short (10 minute max) talk about their beer and/or brewing. Details will firm up soon.
- Seabright Comp - they are hosting another homebrew to probrew contest for SF Beer week. The entries are due by Thursday January 7th, judging will be Saturday Jan 9th. Brewing will be shortly after since beer week is Feb 5-14
- Watsonville Fly In - the date has been moved from Memorial Day to Labor Day for better weather and I received an inquiry asking if we could help facilitate a beer tasting and chili cook-off. I will check with the breweries on their interest and advise as details are worked out. I believe the Zymurgeeks will be asked to volunteer on the Friday night to pour beer and possibly do a live demo.
- Holiday Dinner - Friday night, Dec 11, 6:30PM, Tyrolean Inn. As usual, please go to the website and choose your entree. I need to submit our orders by Tuesday the 8th. Submitting an order obligates you to your portion of the bill, so if you must cancel at the last minute I need to know by 5:00PM on the 11th. Call my cell, leave a message if I don't answer. 831-419-3488
- Glassware/Decals - we have several new members so Mia will bring all the glassware and decals to the January meeting for purchase. If people want to buy other glassware please remember NO crystal and don't bother to spend the extra money for tempered glassware as it will no longer be tempered after kilning.

Meeting Adjourned 2:00

Cheers,
Mia
